JUMP-KICK by holding the joystick in the direction your wish to kick and press red button AFTER you jump into the air.

HOW TO PLAY:

- In the year 2010 the rouge "Big Valley" gang rules the ruined remains of New York City. You are one of the members of "Two Crude", who have been hired to go into the city and defeat Big Valley with your strength and fighting skill!
- To defeat enemies, use the 8-way joystick and the three buttons to move and fight.
